Match Format

9 Hole Matches—Scramble Format

Each team is broken down into two-person pairs (or three if a substitute is included) who play together. Each team can field up to 12 players per match.

All PGA Jr. League games are played in a two-person scramble format. This means that both players in a pair, hit drives. The best shot is selected, then each player plays from the selected spot, and this process continues until the ball is holed. Younger participants have the option to only play 6 holes on a team of three. This allows younger players adequate breaks if they aren't ready for the full 9 holes. A total of 4 groups will play per team, the team that gets the most points from the games will win the match.

Don't miss your chance to be part of the Powder Horn's team and join us for an amazing junior golf season. For questions or to volunteer to help, please call the Golf Shop at 307-672-5323 or email Michael Pope at Michael.Pope@troon.com or Meg Hunter at meghan.hunter@thepowderhorn.com
